

**A 30 minute
appointment
could save your
life.**

**If diagnosed early,
88% OF PEOPLE WILL
SURVIVE LUNG CANCER
for one year or more.**

Targeted Lung Health checks help identify lung cancer early - even before symptoms develop.

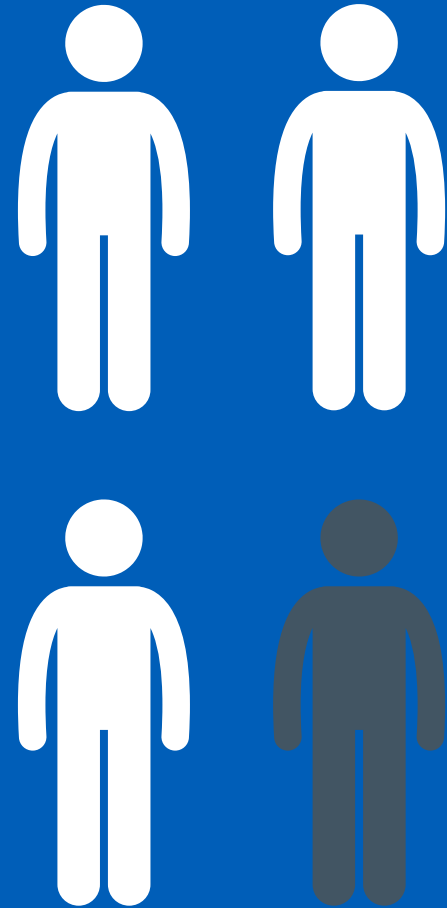

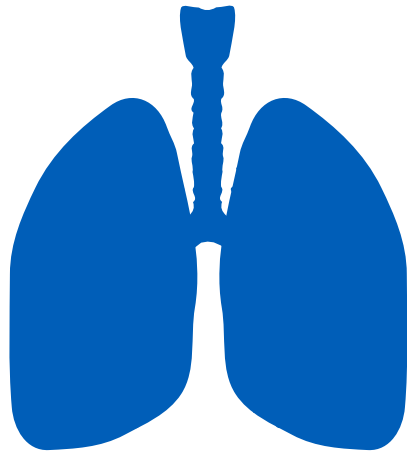

Your lungs work hard every minute of your life. As you get older it's worth having them checked out.

Lung cancer rarely has symptoms at the earlier stages.

**As a result sadly
3/4 OF PATIENTS ARE
DIAGNOSED LATE.**

**Targeted Lung Health
Checks help
IDENTIFY ISSUES AT
THE EARLIER STAGES
before symptoms occur.**

Your lungs work hard every minute of your life. As you get older it's worth having them checked out.

Come and speak to our Lung Specialist Nurse and Roy Castle Foundation at Asda

Shoeburyness on Thursday 17 March 2022 between 10:00 - 16:00.
